

“Market Art Fair announces new dates”

The Nordic region's leading contemporary art fair, Market Art Fair, was scheduled to take place in late April, however due to the prevailing circumstances surrounding the spread of the Covid-19 / Corona virus and the growing concern over health and safety, Market Art Fair has decided reschedule the upcoming edition of the fair.

The new dates for Market Art Fair are 25 - 27 September. The fair will be held at Liljevalchs Konsthall in Stockholm as scheduled.

Over the past week, Market Art Fair has worked intensely with its board of directors and other stakeholders to find an alternate solution for the fair. The priority, while following all the current guidelines and regulations from the Swedish Public Health Authority and government, is to guarantee the safety and wellbeing of the fair's exhibitors, partners, staff and visitors, while at the same time provide the all-round quality of Market Art Fair.

All of the galleries, international guests, participants in the talks programme, sponsors and partners have been informed of the decision and the information has been well received.

*"I would like to thank all the fair participants for their ongoing commitment, understanding and support. I also want to extend a special thank you to Mårten Castenfors, Louise Fogelström and the team at Liljevalchs in Stockholm for their hard work and flexibility. Liljevalch's generosity has enabled Market Art Fair to find the best possible solution in these uncertain times."* says Saskia Neuman, CEO of Market Art Fair.

Market Art Fair continues to plan and work towards the upcoming fair with the hope that the Covid-19 virus can be controlled soon as possible, and extends their well wishes and care to all persons affected.
